| □ If any future lab | tests are need | ded, please provi | de patient with a pres | scription, and have pat | ient bring on | | | |
| day of treatment. | Results will be | sent to referring | physician. | | | | | |
| Please note: | | | | | | | | |

- 1. A Letter of Medical Necessity is required for all patients receiving their initial infusion at Astera (letter must include diagnosis, previous treatments/response to treatments and be on letterhead with physician signature).
- 2. Benefit investigations, copay assistance and prior authorizations will be handled by the Astera precert staff if required by the payer. Right to auto-substitute biosimilars based on payer's preference. Detailed clinical notes providing supportive documentation are required for authorization requests which may take 3-5 business days depending on the payer. The precert staff will update the referring doctor's office during this process and contact the patient to discuss cost and financial assistance options.
- 3. A pretreatment education session will be provided by an Advanced Practice Provider.
- 4. Once the infusion is complete, a follow-up notice will be faxed to the to the referring provider.
